

REMARKS

The Examiner is thanked for the due consideration given the application.

Claims 33-49 and 51, 52 and 54-62 are pending in the application. The claims have been amended to improve the language and to better set forth the invention being claimed. Claims 50, 53 and 63-66 have been cancelled by this amendment.

The invention has been restricted into Groups I-VI requiring election among claims 1-32. However, claims 1-32 had been cancelled in the Preliminary Amendment of December 16, 2004 and substituted with claims 33-36, which have been further modified by this paper.

Since there is no way to elect among previously cancelled claims, the Examiner is respectfully requested to withdraw the restriction/election requirement.

The Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 25-0120 for any additional fees required under 37 C.F.R. § 1.16 or under 37 C.F.R. § 1.17.

Respectfully submitted,

YOUNG & THOMPSON
